tropical grasslands

contents

The Tropical Grassland Society of Australia
Vol. 18, 1984

PRESIDENTIAL ADDRESS:

Information and the Society—F. H. Kleinschmidt 65

CONTRIBUTED PAPERS:

Pasture development and animal production in Queensland since 1960—L. 't Mannetje... 1

Controlled pollination equipment for cross pollinating tropical grasses—J. B. Hacker and J. L. Cowper 18

Zero-grazed pasture under immature *Hevea* rubber: Productivity of some grasses and grass-legume mixtures and their competition with *Hevea*—U. P. de S. Waidyantha, D. S. Wijesinghe and R. Stauss ... 21

Herbicidal control of woody weeds in Central Queensland. 1. Brigalow (*Acacia harpophylla*)—J. C. Scanlan... 26

Herbidical control of woody weeds in Central Queensland. 2. Dawson gum (*Eucalyptus cambageana*), bitterbark (*Alstonia constricta*) and yellowwood (*Terminalia oblongata*)—J. C. Scanlan and G. W. Fossett... 33

Problems associated with grazing experiments involving the integration of different pastures—A case study in south-east Queensland—R. M. Jones and T. R. Evans.. 39

Performance of temperate and tropical grasses and legumes under two irrigation frequencies in south-eastern Queensland—K. F. Lowe and T. M. Bowdler.. 46

Performance of pasture grass cultivars and their associates at Queensland Agricultural College—M. J. Russell and F. H. Kleinschmidt 55

Studies on the germination, phenology and rhizobium requirements of *Vigna parkeri*—C. J. Pentney, P. C. Whiteman and S. Sivasupiramanian 66

Effect of water table and nitrogen fertilization on tropical grasses grown on organic soil—F. M. Pate and G. H. Snyder 74

Herbicidal control of woody weeds in Central Queensland. 3. False sandalwood (*Eremophila mitchellii*)—J. C. Scanlan and G. W. Fossett... 78

Evaluation of some *Centrosema* species in small plots in Northern Australia—R. J. Clements, W. H. Winter and R. Reid 83

Short-term flooding tolerance of seventeen commercial tropical pasture legumes—P. C. Whiteman, M. Seitlheko, M. E. Siregar, A. K. Chudasama and R. R. Javier 91

Cultivating the surface soil to renovate a green panic (*Panicum maximum*) pasture on a brigalow soil in South East Queensland—V. R. Catchpoole 96

Biurett, sorghum and cottonseed meal as supplements for weaner cattle grazing native pastures in sub coastal south-east Queensland—K. B. Addison, D. G. Cameron and G. W. Blight... 113

Effect of leucaena and peanut meal supplements fed to steers grazing native pasture in sub-coastal south-east Queensland—K. B. Addison, D. G. Cameron and G. W. Blight 121

Liveweight response of cattle grazing native pasture in south-east Queensland when supplemented with urea/molasses in winter and spring—A. H. Foster and G. W. Blight 131

Seed production and growth of the tropical pasture legume *Zornia latifolia* accession CIAT 728—S. C. Jutzi and J. Nosberger. 138

Preliminary studies on indigenous species for dry season grazing in the northern Guinea Savanna Zone of Nigeria—E. O. Asare, Y. Shehu and E. A. Agishi 148

Angleton grass (*Dichanthrum aristatum*) in Queensland. W. J. Bisset and D. I. Sillar 161

Effect of temperature and day length on dry matter yield and flowering of two accessions of *Cassia rotundifolia*—P. C. Whiteman, Soe Naing and P. B. Barnes 174

Establishment of two *Stylosanthes* species in communal grazing areas of Northeast Thailand.—H. M. Shelton and B. Wilaipon 180

White clover (*Trifolium repens*) in subtropical south-east Queensland. III. Increasing clover and animal production by use of lime and flexible stocking areas—R. M. Jones... 186

Breeding *Leucaena* for low-mimosine: Field evaluation of selections—R. A. Bray, E. M. Hutton and W. M. Beattie 194

Effect of reinforcement of native grazing with Silverleaf desmodium (*Desmodium uncinatum*) on dry season performance of beef steers in Zimbabwe—J. N. Clatworthy. 198

Effect of omission of annual superphosphate applications on Desmodium-pangola grass pastures—R. M. Jones, C. Johansen and D. A. Little 205

Preliminary assessment of some annual Ethiopian *Trifolium* species for hay production—J. Kahurananga and A. Tsehay 215

TECHNICAL NOTE:

Nutrient concentrations of grass-legume pasture fertilized with single superphosphate or biosuper—G. B. Robbins, J. J. Bushell and J. F. Compton 100

PROCEEDINGS:

Beef production in the Burnett region based on improved native pasture—field meeting, Gayndah, September 30, October 1, 1983... 102

Dairy pastures, lucerne evaluation and seed production—field meeting, Lockyer Valley, November 18, 1983... 109

Tree dieback and its effect on grazing in Queensland—field meeting—Brisbane Valley, March 30, 1984 152

Pasture systems in the Beaudesert area—field meeting—August 31, 1984 218
